Dear Friends,

Thank you for your quick response to our needs!

We have no open dinner dates for 2012... earliest ever for a full year's commitment! We have only one weekend lunch date left as well. Great! But...we are still looking for groups to bring and serve snacks on weekend (and some weekday) afternoons. We have a few Sundays open and most Saturdays.

toilet paper

dish soap

coffee cups

cereal bowls

chunky soups

canned meat

Snacks have recently become a priority for us due to the shortage of food available to purchase from the Food Bank. What used to cost us 20 cents a pound now costs many times more from Sam's. That's why you see both snack foods and snack groups shown as needs.

Assistant-

We had another great volunteer year in 2011. With individual and group services combined, we benefited from almost 20,000 hours of precious time given by you! So, when I say each month that we couldn't do what we do without you, you understand that is absolutely true! And that doesn't even take into consideration the in-kind donations you so generously provide.

Your efforts are responsible for the following

Tuesday & Thursday
afternoons and
Saturday & Sunday
mornings

**snack friends

**bring and serve

**Donations may be
