Greetings to Maranatha Class, Boston Avenue U.M.C.

This letter is a special mailing that is going just to Sunday School classes and United Methodist Men's and Women's groups in Oklahoma. We are writing to ask you to join us in attendance at the reinvented 2015 Friends of Children Banquet.

Each and every day, your support of your local church helps pay apportionments which, in turn, provides the resources Circle of Care needs to offer help, healing, and hope to children and families in crisis. You have a hand in transformational impact that is happening in the life of children and families each and every day. We want you to be in attendance to hear and see the impact you have made straight from those you have helped.

The program will include highlights for the year in review and, most importantly, powerful testimonials from individuals whose lives you have touched. You will hear from a foster parent who has opened her home and heart to abused and neglected children, a Preparation for Adult Living student who has experienced both struggles and soaring success, and a mother who is rebuilding her life at Pearl's Hope.

This dinner will be simulcast, meaning we will have portions of the program in Oklahoma City and Tulsa. We'll unite the city for one grand night of celebration! In Tulsa, our local hosts are Dr. Tom and Dana Harrison. In Oklahoma City, the local hosts are Robert and Prudy Gorrell.

We invite your class sponsor a table as a group; or you can purchase individual dinner reservations. Please find enclosed a sponsorship form for the details. Individual dinner reservations are \$50 per person and can be made by calling 405-530-2078.

We look forward to seeing you at our program and sharing with you the good news of transformation taking place every day!
