

Travis Nicks & Constance Thomas

OCT. 10, 2014

In the historic Tulsa Garden Center, Nicks and Thomas said their vows before 150 guests in a “Gatsby”-themed ceremony, followed by a reception. While in the Navy Nuclear Power School, Nicks, who is a U.S. Navy submarine officer originally from Tulsa, met Thomas, a student at the University of North Carolina-Greensboro. Over their courtship, the couple moved to New York and eventually Hawaii, where he is stationed with the USS Santa Fe and she is a master’s candidate in the University of Hawaii’s Department of Linguistics.
