

August 8, 2015

Dear Maranatha Class Members,

As many of you know, each year in September I ride in the Multiple Sclerosis 150 bike ride to raise money for the MS association in its fight against MS. Once again, I will ride on September 26-27 for Team Ricardo's in hopes of raising money for a cause I respect through knowing co-workers and class members living with this disease.

Our individual class members have many important causes for which they feel called to support. It is my hope that when you have money to donate, you will find one or several of these causes to support based on your experience with the needs of these important groups and our friends in need whether it be cancer, Alzheimer's, Parkinson's, MS, Special Olympics, etc.

If the cause for MS is one of importance to you, I appreciate your donation, whatever the amount, and I will ride with pride for you. You may donate to me directly when you see me or you can go to the website,

**[nationalmssociety.org](http://nationalmssociety.org)**, click "donate", click "find participant", type in "Francisco Maldonado" in Oklahoma and donate in that manner.

Thank you for your time and consideration.  
Sincerely,

Cisco Maldonado
