

Folks,

I'm putting out a call for possible sponsors at \$162.50 each for the upcoming Restore Hope Golf Tournament on Sept. 14th at Forest Ridge Golf Course. We have one team currently, but I feel others in our church would play if they had a sponsor.

PLUS - for every person we submit, the George Kaiser Foundation will match the amount dollar for dollar - so EVERY ENTRY at \$162.50 will be DOUBLED! Checks should be made payable to "BAUMC". Here's a link to the actual brochure for the tournament - <http://www.restorehope.org/wp-content/uploads/2015/07/2015-Golf-Tournament-Brochure.pdf>

If this interests anyone in your classes, please let me know!
Thank you!!

Bill

Greetings everyone,

The Work Area on Missions would like to invite you and your class to attend a missions fair and fellowship potluck luncheon on:

Sunday, September 20th, in the Jubilee Hall Gym from 12:00-1:30 pm

We have many reasons to celebrate how God is moving in our midst! As you visit with others and browse the missions displays, you may be surprised to see the depth and breadth of our congregation's involvement in this area. Here are *just a few* of the ways our members, staff, and friends live out the call to missional service every day:

- ARK ministry projects (Acts of Random Kindness)
- BAWs - Boston Avenue Weekday School has 4 mission projects each year
- Sistema Tulsa music education program
- CROP Hunger Walk and Stop Hunger Now
- Ministry with the children, parents, and staff of Burroughs Elementary School
- COMPassion fellowship meals and worship services
- Serving meals and collecting books, clothing, and household supplies for the Day Center for the Homeless
- Driving church buses here, there, and everywhere!
- Local, national, and international Volunteers in Mission (VIM) service
- Respite Care
- UMW mission studies and projects
- Delivering Meals on Wheels
- Visiting the sick and homebound
- Serving meals and teaching classes at St. Luke's Redemption Church
- Volunteer and financial support of Restore Hope and the Cookson Hills Center
- Collecting and donating books to the Tulsa Library
- Boy Scout mission projects

Please consider setting up a display that tells the story of how you and your class are active in missional service. I believe there are many others who would like to join you!

There will be tables provided on the perimeter of the gym for your display. Trifold project display boards with plenty of pictures are great for telling the story of your ministry with others. Including objects in your display space from the areas in which you serve lends added interest and texture to your display, and printed information about your mission makes it easy for others to remember and reflect on the details later.

Sign-up sheets will be provided by the Work Area on Missions at each display to collect contact information from those interested in joining you in missional service. If you would like help putting together a one page handout providing details about your missions ministry, please contact:

Blaire Hines at [918-699-0131](tel:918-699-0131) or e-mail blairehines@bostonavenue.org

I am excited about this opportunity for our church family to come together and celebrate God's work in, through, and around us. The beautiful benediction that Rev. Wiggs shares at the end of every worship service is truly a "*sending forth*." We are sent out into the world to be a blessing to others as we embody the love of Jesus Christ in ways that make a Christian difference.

Yours in Christ,

Lisa
