

Dear Maranatha Class Members,

We have a special event in **Community Hall** [on Friday, September 11 from 10:45 AM-1 PM](#). During the past year, Boston Avenue Church has been partnering with the Parkinson Foundation of Oklahoma to provide support in their efforts working with Tulsa area Parkinson patients and their caregivers. [On September 11](#) the First Annual Tulsa Parkinson Caregivers Luncheon will honor persons from the Tulsa area who give so much of themselves to care for their loved ones. The luncheon will be informal, with a speaker and a few presentations.

We are expecting about 80 people. As we all know, Boston Avenue Church can be intimidating to navigate, but especially difficult for someone with physical challenges. **If you are available to greet at doors, assist with seating and serve beverages, please let me know.** Our hope is that every person leaves our church feeling uplifted, inspired and celebrated. It will be a blessing for all of us to bless others during this celebration.

Thanks so much for checking your calendars. If you know of someone who might be interested in helping with the luncheon, please feel free to forward this email.

Karen Campbell

P.S. The speaker's presentation title is "This Ain't No Dress Rehearsal!". It seems that could apply to all of us, so I'm looking forward to hearing what she has to say on the subject 😊
