Loop Group Advent Update

Greeters Needed for Special Advent Services

It's easy, fun and makes a HUGE difference for our congregation!

We have so many wonderful services, concerts and events during the advent season, it's a great opportunity to greet not only our guests but our members too! Sharing a genuine smile and extending Christ's hospitality is one of the simplest volunteer roles at our church and yet, from the comments we receive, makes a huge difference to our people. Can you help?

There are three ways to sign up:

- Sign up on the roster in your Sunday School Class this week.
- Pick up an volunteer form in the Parlor (located on the desk) or print and complete the form ([CLICK HERE TO DOWNLOAD FORM](#))
- email Karen Campbell at k.brownlee@sbcglobal.net

Please forward this email to your Sunday School Class members, departmental groups or individuals who would be excellent ambassadors for Christ!
