Boston Avenue United Methodist Church Prayer Ministry: The staff cake and cards and emails were a great hit. Thank you so much. As I think back over this past year, I am reminded of the many hours you have spent in prayer. Your heart for others and for the church has been used by God for many blessings. We may never know the results but we can be sure that our prayers play a key part in the kingdom of heaven. I am praying for many blessing for you and for all you are about to do in 2016 in the name of Jesus.
