Dear Maranatha
(+ Carenatha)

This last week the Carenatha group arranged & provided a wonderful lunch for all the Spencer Clan at Brenda Spencer's Memorial Service. Our family is big so this was no easy task. On behalf of my entire family I want to thank you all for the food & your services & most of all the love you shared with my family during this difficult time. It was so very appreciated. You are an amazing group of people and so caring.

Thank you so much.
